

The CT Guided PCI Course
24th & 25th June 2024
PROVISIONAL PROGRAMME

Location ORSI Academy Proefhoevestraat
12, 9090 Melle

Course Directors

Carlos Collet
Daniele Andreini

Co-Directors

Bernard De Bruyne
Natalia Pinilla
James Spratt
Dan Jones

Faculty

Saima Mushtaq
Ziad Ali
Alan Bagnall
Gulio Stefanini
Adriaan Wilgenhof
Jeroen Sonck
Hirofumi Ohashi
Carlo Zivelongi
Paul Vermeersch
Michael Maeng
Nicholaj Brejnholt
Yader Sandoval
Hector Garcia-Garcia
Charles Taylor

OBJECTIVES

1. Build expertise in the interpretation of CCTA relevant to PCI.
2. To learn how CCTA helps interventional cardiologists in planning and guiding PCI.

DAY 1 – Monday 24th June 2024

8:00 Registration at ORSI

8:30 Welcome and introduction

Daniele Andreini
Carlos Collet

Setting the stage

Chairman: Bernard de Bruyne and Ziad Ali

8:30 All you need to know about CT acquisition

Daniele Andreini

8:50 Reconstructions for the cath-lab

James Spratt

9:10 Where are the landing zones?

Natalia Pinilla

9:30 How to crack the calcium?

Carlos Collet

10:00 Coffee and networking

Physiology takes the stage

Chairman: Natalia Pinilla and James Spratt

10:30 Basics of CT based physiology

Bernard De Bruyne

10:50 FFR_{CT} Opening the black box

Charles Taylor

11:10 A new wave in physiology

Carlos Collet

11:30 Live case from Aalst and Newcastle

12:30 Lunch

Hands-on

14:00 to 18:00

Training CT interpretation for PCI

Carlos Collet/Dan Jones/Saima Mushtaq

Intravascular imaging enhanced by CT - Magritte

Natalia Pinilla/Gulio Stefanini/Ziad Ali

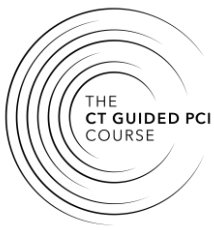

Complex PCI planning - Brel

James Spratt/Jeroen Sonck/Dan Jones

FFR_{CT} Planner - Sax

Bernard De Bruyne/Hiro Ohashi/Charles Taylor

Group Dinner

DAY 2 – Tuesday 25th June 2024

Taking it to the next level

Chairman: Daniele Andreini and James Spratt

8:30 CT-guided PCI: planning for success	James Spratt
9:00 CTO: does CT really helps?	Adriaan Wilgenhof
9:30 CT for bifurcations	Carlos Collet
10:00 After CABG: never again without CT	Dan Jones
10:30 Coffee break and networking	
11:00 Live case CTO Aalst and Antwerp	
12:00 Lunch
